

# Our Book Fair is Coming!

**Dear Parents/Grandparents and Guardians:**

**You're invited to join your student at our upcoming book fair.** Please help your student choose books to purchase that will encourage them to read for fun! If you can't join us, we're also sending home a flyer to show some of the titles available. Please...

- Help your student select titles that you want them to own.
- Consider buying a book or gift certificate for your student's teacher to help them grow their classroom collection.
- We also have gift certificates available for you to share the joy of reading with your student, their friends and/or their teacher. You can buy any even \$ amount, starting at just \$1.

Each purchase that you make returns books and/or funds back to support our school library!

Thank you and we hope to see you at the fair!

---

To purchase a gift certificate, just fill it in below then bring it with you (or send it with your student with payment to the fair.) We'll process the transaction and activate it for you.
